### Volunteer at our gardens

It's thanks to our fabulous volunteers who support our full-time garden teams, that we're able to open and run our gardens.

If you have a few hours to spare each week and want to join our wonderful volunteer community, we'd love to hear from you.

Whether it's welcoming visitors, serving tea and coffee, assisting visitors in our shops or helping us to maintain our stunning gardens, we're always looking for volunteers to join our team.

Contact the gardens by using the details overleaf.

## Future Perennial Garden

### East Ruston Old Vicarage

A beautiful 32 acre modern exotic garden by the North Norfolk coast, where every visitor seems to find some part of it that is special to them.

2023 marked the 50th anniversary of Graham Robeson OBE and Alan Gray purchasing the Old Vicarage at East Ruston in Norfolk. They used this anniversary to announce their decision to leave their house and garden to Perennial in their wills. [eastrustonoldvicarage.co.uk](http://eastrustonoldvicarage.co.uk)

## About Perennial

**Perennial is the UK's only charity dedicated to helping everyone who works in horticulture and their families.**

Founded in 1839 as The Gardener's Benevolent Institution, Perennial began by supporting gardeners in retirement who faced poverty.

Today, we provide essential advice, support, services and a helpline for anyone in horticulture from new starters to retirees.

Horticulture is an industry known for its low pay, difficult or insecure working conditions and higher than average risk of injury.

We are here to provide support for those facing challenging times as well as helping to prevent issues from arising and enabling people to be more in control of their wellbeing. Every year, the charity helps thousands of people to build better futures.

For more information, visit [perennial.org.uk](http://perennial.org.uk) or call the helpline 0800 093 8543.

The Laskett Garden

### YORK GATE

one of Perennial's gardens

“  
One of the most peaceful and restorative spaces I've had the pleasure to spend time in.  
”

This magical one-acre garden near Leeds with Grade II National Heritage status is inspired by the Arts and Crafts movement. Diverse plant combinations are revealed through a series of inspirational garden rooms, creating one of the best small gardens in the world.

A palette of colour bursts to life in spring and summer with tulips, flourishing borders, succulents and exotics and a meadow full of wildflowers and wildlife. Timeless structure draws the eye in autumn and winter with a masterpiece of pattern and topiary.

Fullers Mill Garden

### THE LASKETT

one of Perennial's gardens

“  
What a unique garden! You can really feel the spirit of this garden live on from Sir Roy's creation.  
”

Step into a creative floral archive where every flower and every sculpture reminisces a tale of creativity.

One of Britain's great autobiographical gardens, The Laskett was created in celebration of the arts by Sir Roy Strong CH and his late wife Julia Trevelyan Oman CBE. It is the creative fruit of a happy marriage between two people who were at the centre of the arts for much of the latter half of the twentieth century. Created from a bare field every part has a story to tell of their love and the commemorative landmarks of their lives.

Fullers Mill Garden

### FULLERS MILL

one of Perennial's gardens

“  
Such a beautiful, quiet garden. It was lovely to relax and unwind in gorgeous surroundings.  
”

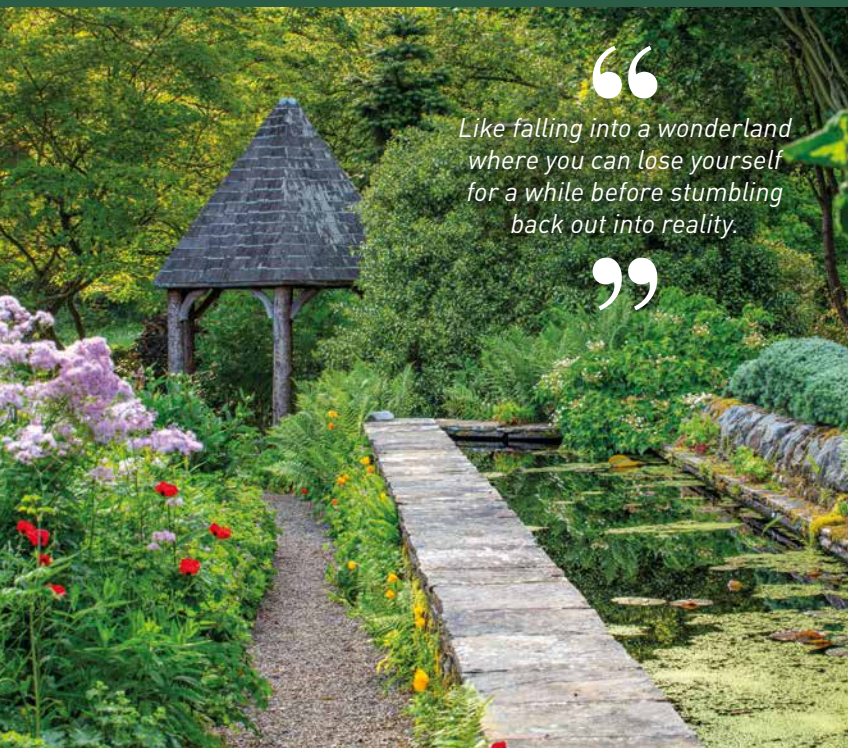

This award-winning seven-acre garden is an enchanting waterside oasis set in the heart of Suffolk. It combines dappled woodland with a plantsperson's collection of shrubs, perennials, lilies and marginal plants.

Views of its fantastic displays of form and colour reflect off its mill pond, the River Lark and Culford Stream throughout the seasons. The garden was created by the late Bernard Tickner MBE who spent over 50 years creating the garden you see today.

Introducing Perennial's Gardens

“  
Like falling into a wonderland where you can lose yourself for a while before stumbling back out into reality.  
”

### Introducing Perennial's Gardens

Perennial, the charity supporting everyone working in horticulture, has three enchanting, award-winning gardens – Fullers Mill in Suffolk, The Laskett in Herefordshire and York Gate near Leeds – each of which have been generously gifted to the charity.

We invite you to come and explore the beauty and tranquility of our gardens, each showcasing natural charm and artistic design. Whether you're looking to relax at our waterside oasis at Fullers Mill, take in the extensive history and commemorative landmarks at The Laskett or get lost in the flourishing borders, succulents and exotics at York Gate, there's something for everyone.

Throughout the year these plantsperson's paradises burst into life and colour each exhibiting their beauty in the way their creators intended.

The gardens are open from April to October with special openings at other times of the year. Visit the website for full details [perennial.org.uk/gardens](http://perennial.org.uk/gardens)

We look forward to welcoming you.
